Sggn(s) 80' - I41.080D

This long 4-axle all-around wagon for combined transport offers an ideal loading capacity of 68.5 t. Due to the continuous loading platform and very low tare, this wagon offers perfect and flexible possibilities for transporting sea containers. There are 30 different loading combinations for all containers, swap bodies, and tanks.

	Version 1	Version 2	Version 3	Version 4
Max load:	68,5 t	67,5 t	67,7 t	68,3 t
Tare weight:	Approx. 21,5 t	Approx. 22,5 t	Approx. 22,3 t	Approx. 21,7 t
Axle load:	22,5 t	22,5 t	22,5 t	22,5 t
Total length:	25940 mm	25940 mm	25940 mm	25940 mm
Clearance - outer wheelsets:	19300 mm	19300 mm	19300 mm	19300 mm
Loading length:	24700 mm	24700 mm	24700 mm	24700 mm
Loading width:	2500 mm	2500 mm	2500 mm	2500 mm
